Powerful, stylish and modern, CAPSULE is a dexterously designed collection of contemporary bustform shapes, slim merchandising torsos, rails, fixtures and tabletop accessory presenters, created to showcase the modern female working wardrobe.

A truly progressive concept, CAPSULE provides the opportunity to interchange items from the collection, thereby building into an extensive VM kit of outstanding design, quality and value. Accessory presenters complete the range; finished in luxury faux suede, chic sophisticated crepe, smoked oak, blonde brass and brushed satin nickel.
