# Bespoke

Taking inspiration from the discreet and refined world of the master tailor, this immaculately groomed collection of bust forms, torsos, valet stands, presenters and fixtures is perfect for the presentation of men's tailoring and beyond.

Well designed and thought through, the range features on-trend metalwork and wood shades along with an array of luxurious fabrics which allow for each client to customise the product to suit their particular brand's aesthetic, whether contemporary fashion or traditional styling.

This ingenious collection demonstrates great flexibility with a range of interchangeable items that can be built up to form VM presenters ideal for the ever changing accoutrements of male sartorial style.
