

The background of the entire image is a vibrant, solid yellow. Two yellow mannequin hands are positioned on either side of the central text, their fingers slightly curled as if reaching towards each other. The lighting on the hands is soft, highlighting their smooth, glossy texture.

"When you change the way you look at things, the things you look at change"

Young London

The inspiration for this collection came from observing today's youth, both in their body language and outlook on life.

The cast consists of three girls, Izzy, Tilly and Nancy. All attractive in an assertive way, with both Izzy and Tilly caught in reflective, far away gazes while Nancy's cute features dare you not to be attracted to her. There are two boys – Noah, with his noble attitude and Lean with his laid-back cheekiness.

The cast are all very self-assured in their attitudes and have been directed into poses which include leaning, sitting and crouching.

Grouped together or in singular situations, Young London will always grab your attention.
